## Danderine

GREW THIS HAIR:

When the scalp throws off either dandruff or a gummy substance, it is an evidence of scalp disease, and no time should be lost in correcting it. You certainly would not hesitate to take treatment were you to look at this matter through a magnifying glass. When highly magnified it resembles a working mass of insects. These creatures absorb the nutriment or life-sap of the scalp causing the scalp to become dry and feverish, resulting in the loss of hair and finally baldness. Danderine works wonders in all such cases. It thoroughly eradicates all trace of scalp bacteria and makes the hair grow abundantly long, strong and beautiful. One 25 cent bottle is enough to show you that it will do all this and even more. NOW at all druggists, three sizes, 25c., 50c. & \$1.00 per bottle. **KNOWLTON DANDERINE CO., Chicago.**

## HELPS RUSSIAN PEASANTS

Interest Rate on Land Loans Reduced  
**FREE SALE AUTHORIZED**

The Trade Returns for October Are Good—Stolypin Giving Free Hand to the New Courts-Martial.

St. Petersburg, Oct. 26.—At the suggestion of Finance Minister Kokovsov the Council of Ministers has decided to reduce the rate of interest on loans by the Peasants Bank to four and a half per cent, which corresponds to the average rate charged by the bank which lends to Russian nobles. The resultant reduction in the bank's revenue will be made up by the state treasury. This is another step toward lessening the difficulties of the peasants, and is equivalent to saving them about one ruble, twenty-five kopecks, per cent. The government adopted the agrarian project drawn up by Gorkov, giving the peasants free disposal of the commercial land purchased by the aid of the treasury.

**Trade Returns Favorable.**  
Official trade returns for the month of October give exports as \$400,000,000; imports \$230,000,000, an increase of thirty-eight per cent during five years in favor of Russia.

**Free Hand For Court-Martial.**  
Premier Stolypin has sent a circular to the governors and prefects of the country impressing upon them the fact that the field courts-martial have jurisdiction solely in cases of serious crime and where the criminals have been caught red-handed.

Scholars who indulge in demonstrations will be arrested, and their parents will be held accountable for their conduct.

## ANEMIA IS CURED

BY DR. WILLIAMS' PINK PILLS AS FOOD CURES HUNGER.

They Are the Most Widely Used and Successful Remedy for All Forms of Debility.

Anemia, whether it results from actual loss of blood, from lack of nutrition due to stomach trouble, or whatever its cause, is simply a deficiency of the vital fluid. Dr. Williams' Pink Pills actually make new blood. They do that one thing and they do it well. As the blood directly feeds the nerves their action on the nervous system is often remarkable and they have cured many nervous disorders that have not yielded to ordinary treatment.

"As a girl," says Mrs. Jessie Fink, of 150 East Mill street, Akron, Ohio, "I suffered from nervous indigestion and when I was eighteen years old I was reduced in weight to 95 pounds. I was anemic, nervous, couldn't eat or sleep, was short of breath after the least exertion and had headaches almost constantly. I had a doctor, of course, but I might as well have taken so much water for all the good his medicine did me. Finally my vitality and strength were so reduced that I had to take to my bed for several weeks at a time. I could not digest any solid food and for weeks I did not take any other nourishment than a cup of tea or beef broth."

"While I was sick in bed I read of Dr. Williams' Pink Pills and I stopped all other medicine and began to take the pills. Soon my improvement was very noticeable. My strength began to return, my stomach gave me no pain and just as soon as I began to take solid food I gained in weight. I shall never forget how happy I was when I realized that I was really getting well."

"Dr. Williams' Pink Pills certainly saved my life. I am now perfectly well, have regained my normal weight of 120 pounds and I think Dr. Williams' Pink Pills are a wonderful medicine and I have recommended them to hosts of people."

Dr. Williams' Pink Pills are recommended for stubborn stomach trouble, for all cases of weakness and debility, such as result from fevers and other acute diseases. They are grateful to the most delicate stomach, are a powerful tonic without being a stimulant and are guaranteed not to contain any harmful drug. All druggists sell Dr. Williams' Pink Pills, or they will be sent by mail postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
